

Your Nuclear Medicine Specialists

# MEDINEXUS

## Do you want instant access to reports and images?

Your patient's reports and images are delivered automatically to your practice's clinical (PMS) software system (e.g. BP, MD etc).

- ▶ Quick and simple to use
- ▶ Reliable and Convenient
- ▶ Works like pathology reports and your current Healthlink/Argus downloads
- ▶ View key images and reports **WITHOUT** storing images on your system
- ▶ NO additional login required when viewing via your clinical system.

## Do you have access to the Internet and no patient management system?

Access your patient's reports and key images anywhere and at any time at your convenience via any web browser or our apps for iPhone, iPad and Android devices.

- ▶ Quick and Simple to use
- ▶ Reliable
- ▶ Images **DO NOT** take up any space on your computer, phone or tablet
- ▶ Access via the web browser or any Smartphone / Tablet device
- ▶ Call 1300 796959 to register for a login

## What are the Main Benefits for you?

- ▶ We offer an efficient, reliable and convenient way of delivering reports and images straight to your clinical software. Alternatively you can access your patient reports and images via web browser or our IOS and Android apps

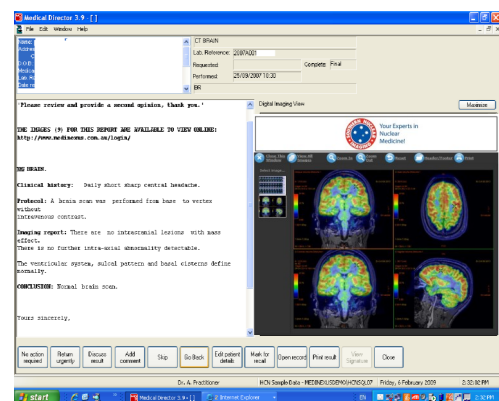

You will be able to:

- ▶ Print the report for the patient with or without the images
- ▶ Forward your patient's reports & images on to another medical practitioner for a 2nd opinion
- ▶ Review historical reports with images
- ▶ There will be no film storage or lost records
- ▶ If you need to discuss a significant finding with one of the nuclear medicine physicians, you can have the images and reports available in a matter of minutes on your desktop

Note this is a free service to our valued referrers

## Medinexus delivers High Technology. Anywhere. Anytime.

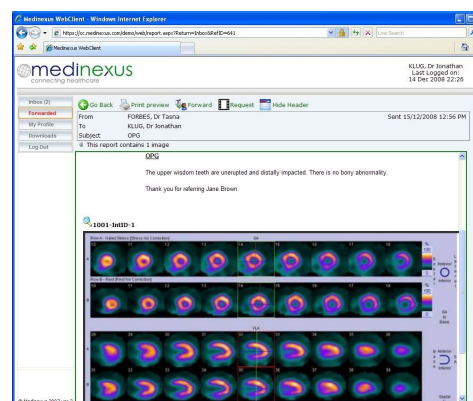

### Access via Patient Management System

### Access via Smartphone or Tablet

### Access Securely via the Web

## Benefits for your Patients

- ▶ No waiting or returning to collect their reports and / or images
- ▶ No film storage or lost records
- ▶ No need to remember to bring their results with them to the consult
- ▶ Their referrer has instant access

## Accessing patients' reports and key images anywhere, anytime

For remote access (not on a clinical system), a number of options are available.

Use your **InteleViewer** Login if you would like to use:

- **InteleConnect** on any Browser (pacs.snig.com.au) or IOS (iPhone, iPad) device.
- **InteleViewer** if you have the program loaded on a PC or Mac

A Separate **Medinexus** Login is required if you would like to use:

- The **Medinexus** Web Based portal. InteleConnect is accessible via the Medinexus Webportal by selecting the All Images option.
- The **"SNIG Online"** (**Medinexus**) app available on both IOS and Android devices.

To obtain **InteleViewer** Login details contact:
