

Instructions for a Gastric Emptying Scan

Shoalhaven Nuclear Imaging

www.nuclearimaging.com.au

Name: _____

Appointment:

Date: _____ Time: _____

Your doctor would like you to have a **Gastric Emptying Study**. This is a test to assess stomach emptying calculates the for ingested food to be cleared from the stomach.

Please report to the **Shoalhaven Nuclear Imaging Department**

Standish Medical Centre, 4/33 Berry Street, Nowra NSW

If you cannot attend on the day, please call the Department to make another appointment time.

The phone number is: **(02) 44231944**

Procedure: You are given a radioactive omelette to eat. Scanning may take up to 2 hours. It is important to let the Department know if you are allergic to eggs or are a diabetic so other management for the test may be made.

Preparation: You need to fast from midnight before the appointment.
(NO FOOD OR DRINK)

Bring any recent test results, such as **x-ray, CT scan or MRI.**

An important note for women having Nuclear Medicine Scans:

As with any test using radiation, you must contact us before your appointment if:

- you are or may be pregnant
- you are breast feeding
